LIZZIE BEEBE.

ing us more, sweet Lizzie Beebe; I am longing for those notes Which like angel music softly Through my chamber floats.

Throw into those songs a pathos As you ever have and will, Which will wake the better feelings

In the human heart, and thrill With an earnest, strong desire To fulfill life's holy mission,

And to worthiness aspire. ers, Rifes, Rakes, Knives and Forks, I have read your peneiled breathings With a heart which echoed all,

> Whence such sweet, bright drops would fall:-Thought how many sunny visions That you wove their hues so freely Into the fair wreaths of song.

And I've wondered, often, Lizzie, When the stars brought diamond dreams, If into your heart as deeply Fill their soft entrancing beams If the waves of your existence

Rippled gladly on between BARNUM invites attention to his Flow'r-crown'd banks, where rested ever, All the glory of a dream. If the sunshine never darkened, And the clouds came floating down

> Till upon your brow was pressing, Of life's shapes, a heavy crown. Uscless all to ask of thee, If a heart to earthfund pinioned, Could be ever glad and free.

By the surging waves of sorrow Folded in the "Nevermore:"-

Aye, by all that has been given To those souls which struggle here, E'er our lips had pressed life's chalice With its mingling hope and fear, I may know that you too gather With the flowers, the piercing thorns, the death of my sainted sister, your moth-And that your life bears the impress Of earth's wild, hope-wrecking storms.

Ah! the youthful feet will falter In the life that's just begun: 1. G. BROOKS, is at the Anvil. And the heart grow faint and weary, E're the pilgrimage is done;

But from out the bending heavens, Love-wrought links are reaching down; We may grasp the chain pearl woven
